2. The Program is based on a point system. Your Account must be enrolled in the Program, Open, and in Good Standing in order to earn or redeem Points.
3. Enrollment occurs as follows:

- (a) If you have a Professional Card your Account is automatically enrolled in the Program.
- (b) If you have a Corporate Card, you may be enrolled in the Program only if your Employer's arrangements with us allow it to be eligible to participate in the Program, the Employer has elected to participate in the Program, and the annual Club Rewards fee is paid. Please contact your program administrator to see if you are eligible to enroll in the Program.

(III) CLUB REWARDS

(A) General

- 4. An Open and enrolled Account in Good Standing will receive one Point for every eligible dollar charged to that Account. Points will not be earned in respect of any eligible Charges during any period that an Account is not enrolled in, or has been removed or suspended from, the Program.
- 5. Each of the following are applicable to Points:
 - (a) Subject to section 7(c), Points are earned on a per transaction basis and are based on the dollar value of the transaction rounded to the nearest whole dollar.
 - (b) Points that you accrue are not your property and cannot be transferred to any other Account, person, or entity.
 - (c) Points accrued in the Program have no cash or monetary value other than in accordance with section 41. Points can only be redeemed against rewards illustrated in the current Catalogue and in brochures or other materials that we may supply in the future (subject to any additional terms and conditions set out in those brochures or materials), and may not be used in connection with any other discount or coupon offer.
- 6. Points issued for eligible Charges made to a Professional Card held by an Authorized User are credited to the Primary Cardmember's Account.
- 7. Sections 7(a), (b) and (c) apply to Corporate Collect Card Accounts and section 7(c) also applies to Diners Club One Cards that are not issued in connection with a Corporate Collect Card Account (in which case the individual authorized by the Employer to be named on the Corporate Card collects the Points):
 - (a) Subject to section 7(c), Corporate Collect Card Accounts earn Points for all eligible Charges made on each Card issued on that Account.
 - (b) Only the person designated by the Employer in writing may redeem Points on a Corporate Collect Card Account.

(c) Maximum Points Earned per Eligible Charge and Point Reduction Calculations on Returns:

- i. Points are earned on the first \$7,000 of each eligible Charge (any portion of an eligible Charge in excess of \$7,000 will not earn Points).
 - ii. In the event that an eligible Charge is in excess of \$7,000 and you receive a credit with respect to that eligible Charge, you will have your Points reduced for each dollar of the credit that you receive (even though you did not receive Points for each dollar spent), up to a maximum of \$7,000 worth of Points in a single credit transaction.
 - iii. Purchase and Refund Example: In this example, you earn 1 Point for every \$1 spent and purchase the following items in a single Charge: Item A (\$3,000), Item B (\$2,000), and Item C (\$5,000). The \$10,000 eligible Charge earns you 7,000 Points. You then decide to return one or more items from that eligible Charge. The following would occur:
 1. If, in a single return transaction, you return Item A, then you will have 3,000 Points deducted from your Points balance.
 2. If, in a single return transaction, you return Item A and Item C, you will have the maximum 7,000 Points deducted from your Points balance.
 3. If, in three return transactions that occur at different times, you first return Item A, then Item B, then Item C, you will have 10,000 Points deducted from your Points balance, even though you only earned 7,000 Points on the eligible Charge.
8. If you have both a Corporate Card (other than a Corporate Collect Card) and a Professional Card or more than one Professional Card, each of which earn Points, subject to the following terms and conditions you can redeem Points from both Accounts for a reward:
- (a) When one of the Cards is a Corporate Card, your ability to pool Points is subject to your Employer's approval and any pre-existing arrangement between your Employer and us.
 - (b) In order for you to pool Points between two Cards, you must be the named cardholder (in the case of a Corporate Card) or Primary Cardmember (in the case of a Professional Card) on each Card; pooling Points between two or more individuals, whether or not they are related, is not permitted.
 - (c) Points are removed from linked Accounts on a "first in first out" basis.
 - (d) If Points that are pooled between a linked Corporate Card and a Professional Card

accrue to your benefit, you will only have access to the Points accrued on the Corporate Card while you are authorized to use it. Once you no longer have access to the Corporate Card or that Corporate Card Account is suspended or closed, subject to section 18, you will only have access to the Points accrued on the Professional Card.

(B) Eligible Charges

9. Eligible Charges that appear on each Statement during your participation in the Program will earn Points. Not all Charges are eligible to earn Points.
10. Charges that are eligible for Points are as follows: airline, restaurant, hotel, car rental, service station, mail order, online order, and retail Purchases.
11. Charges that are not eligible for Points include but are not limited to the following: Card fees of any kind including but not limited to late charges, delinquency fees, service fees and Club Rewards fees, interest, cash advances, foreign conversion mark-ups, insurance charges, unauthorized charges, handling fees, credits and returns. In addition, for all Accounts other than a Corporate Collect Account, you may only accumulate Points for Charges related to your own travel or that of your immediate family or household members; you will not receive any Points for tickets purchased for any other traveler.
12. Charges or types of transactions may be added to, or removed from, the above lists of eligible and ineligible Charges and transactions from time to time at our sole discretion without notice. Any question as to what constitutes an eligible Charge will be resolved at our sole discretion.
13. Returns and Credits: Subject to section 7(c)(ii), if you receive a credit in respect of a Charge in which you received Points, the Points you received in respect of that Charge will be reduced to the extent of the credit at the same rate at which those Points were earned. In the event that credits shown on a Statement are not fully offset by new eligible Charges shown on that Statement, the difference will be deducted when calculating earned Points in the future.

(C) What Happens to Points if Payments Are Not Made on Time?

14. You must make the minimum payment due on time as shown on each Statement in order to keep your Account in Good Standing and in order to receive all of the benefits of the Program. At any time that you do not keep your Account in Good Standing, the following will occur:
 - (a) First Statement (for both Professional Card and Corporate Card Accounts): If you fail to make the minimum payment by the due date shown in a Statement that you receive in any given month, despite your delinquency, you will earn Points for eligible Charges on that first Statement and you will continue to be able to redeem Points.

(b) Second Statement:

- (i) For Professional Card Accounts: If you failed to make the minimum payment by the due date shown in the first Statement and in the next month you fail to make the minimum payment by the due date shown in the second Statement, you will continue to be able to redeem Points earned up to, and including, the last day of the billing cycle for the first Statement; however, the following will occur: (1) you will not receive Points for eligible Charges billed on the second Statement, and (2) your participation in the Program will be suspended. Should this occur, you will be required to bring your Account into Good Standing in order to restore your participation in the Program. You will commence earning Points on the day that your Account is brought back into Good Standing; however, Points that would have been earned for eligible Charges after the first Statement but before the Account is brought back into Good Standing are permanently forfeited.
- (ii) For Corporate Card Accounts: If you failed to make the minimum payment by the due date shown in the first Statement and in the next month you fail to make the minimum payment by the due date shown in the second Statement, despite your delinquency, you will earn Points for eligible Charges on the second Statement and you will continue to be able to redeem Points.

(c) Third Statement:

- (i) For Professional Card Accounts: If you failed to make the minimum payment by the due date shown in each of the first Statement and the second Statement, and in the next month you fail to make the minimum payment by the due date shown in the third Statement, the following will occur: (1) you will not receive Points for eligible Charges billed on the third Statement, (2) your participation in the Program will be suspended, and (3) you will no longer be able to redeem any Points. Should this occur, if your Account has not been closed, you will be required to bring your Account into Good Standing in order to restore your participation in the Program. You will commence earning Points on the day that your Account is brought back into Good Standing and if your Account is brought back into Good Standing before it is closed, you will have access to the Points earned up to the first Statement (Points that would have been earned for eligible Charges after the first Statement but before the Account is brought back into Good Standing are permanently forfeited).
- (ii) For Corporate Card Accounts: If you failed to make the minimum payment by the due date shown in each of the first Statement and the second Statement, and in the next month you fail to make the minimum payment by the due date shown in the third Statement, you will earn Points for eligible Charges on the third Statement but you will no longer

be able to redeem any Points until you bring your Account into Good Standing.

- (d) Fourth Statement (for Corporate Card Accounts only): If you failed to make the minimum payment due by the due date shown in each of the first, second and third Statements, and in the next month you fail to make the minimum payment by the due date shown in the fourth Statement, each the following will occur: (1) you will not receive Points for eligible Charges billed on the fourth Statement, (2) your participation in the Program will be suspended, and (3) you will no longer be able to redeem any Points. Should this occur, if your Account has not been closed, you will be required to bring your Account into Good Standing in order to restore your participation in the Program. You will commence earning Points on the day that your Account is brought back into Good Standing and if your Account is brought back into Good Standing before it is closed, you will have access to the Points earned up to the third Statement; however, Points that would have been earned for eligible Charges after the third Statement but before the Account is brought back into Good Standing are permanently forfeited.

(D) Fraud or Abuse May Result in the Forfeiture of Points

15. Fraud or abuse relating to the accrual or redemption of Points as well as the use of the Account in violation of its terms may in each case result in any or all of the following: forfeiture of accrued Points, cancellation of the Account, or your removal from the Program.
16. With the exception of a Corporate Collect Card Account, Club Rewards is intended to be a service provided to an individual cardmember, not to the Employer. It is, therefore, considered fraudulent and abusive for anyone to direct, encourage, or allow a Corporate Card cardmember or other individuals to use a Corporate Card Account for the purpose of accumulating Points for the Employer's use (unless it is a Corporate Collect Card Account) or for personal use in a manner that is not specifically permitted under the Program's terms and conditions.

(DI) What Happens to the Points When an Account is Closed or the Corporate Card Agreement Associated with a Corporate Collect Card Account is Terminated?

17. The following terms apply if you don't have a Corporate Collect Card Account:
 - (a) If you are not in Good Standing when your Account is closed, all Points are forfeited.
 - (b) If you are in Good Standing when your Account is closed, you have 90 days from the date that your Account is closed to redeem your Points, after which time the Points will be forfeited.
18. The following terms apply if you have a Corporate Collect Card Account:

- (a) Subject to sections 14 and 15 and the terms of the Corporate Card agreement between the Employer and us, Points earned from a Card that is subsequently cancelled do not expire and remain available to the Employer.
- (b) If you are not in Good Standing when your Corporate Card agreement with us is terminated, all Points are forfeited.
- (c) If you are in Good Standing when your Corporate Card agreement with us is terminated, you have 90 days from the date that your Corporate Card agreement is terminated to redeem your Points, after which time the Points will be forfeited.

We may amend the terms and conditions of any travel offer at any time. Travel rewards: (i) do not include transportation, unless stated; (ii) are not exchangeable, refundable or changeable under any circumstances; and (iii) Travel Certificates are not replaceable in the event of loss or destruction. (B) Self Serve Travel Rewards

- 21. Points may be redeemed for an airline ticket on any domestic or international airline carrier that is a member of the Airlines Reporting Corporation (please call the Customer Centre to verify the participation of any particular airline). You will not be able to use the Self Serve Travel Reward online booking tool to book tickets that are sold by: (a) charters, wholesalers or consolidators; and (b) any Internet service provider where the fares are not published or available for ticketing through a certified travel agency. If you are interested in booking travel with a carrier that is not offered through the Self Serve Travel Reward online booking tool, please book your travel as a Tailored Travel Reward.
- 22. The Points Plus Charge option can only be used for Self Serve Travel Rewards, may be subject to credit approval, and is not available for frequent flyer or frequent guest rewards. Please visit www.clubrewardscanada.com or call the Customer Centre or for further details.
- 23. The charge portion of a Points Plus Charge redemption can only be made as follows: (a) to a Professional Card Account; or (b) to a Corporate Card Account, only if such practice is acceptable to your Employer (please refer to your Employer's policy regarding the use of your Corporate Card to ensure compliance).
- 24. Only you or someone you designate may redeem Points, but tickets may be issued in the name of another person that you designate.
- 25. All airline tickets are sent to the billing address on the Account via first-class mail, postage prepaid; provided however that you can, at your expense, request expedited delivery.

26. Changes to existing reservations may, if permitted by the reward supplier, be requested at your expense up to 5 days prior to your travel date. Changes may require additional costs such as airline penalty fees, increased fares, and service fees. Please be aware that most airlines do not allow changes or corrections to passenger names. Our ability to honour itinerary change requests is ultimately governed by airline rules and restrictions.
27. You should confirm flight reservations at least 72 hours prior to departure. You are responsible for obtaining the appropriate international travel document, such as a passport or visa. You must have valid photo identification upon check-in.
28. Electronic tickets will be issued, whenever possible, unless you request a paper ticket. If electronic tickets are available from the airline, paper tickets will only be available for an additional fee. For travel within 14 days of booking that requires the issuance of a paper ticket, your paper ticket will be shipped via standard overnight delivery (next day delivery by 5 p.m. Central Time), and the cost of such overnight delivery will be billed to you. Priority, Saturday and deliveries outside of Canada and the continental United States will be subject to additional shipping charges that will be billed to you.
29. You are guaranteed the lowest available published price through the Customer Center at the time of ticketing. This guarantee is valid for specific departure and arrival dates and times at the time of purchase through TSYS Loyalty's computer reservations system.
30. A booking fee is charged for each Self Serve Travel Reward.
31. We and our travel service providers are not responsible for airline performance. All reservations are subject to the conditions of carriage, supply or business of the airline service provider, which include exclusions and limitations of liability.

(C) Frequent Traveler Rewards

32. The airlines and hotels participating in the Program are subject to change without notice. All frequent flyer and frequent guest reward redemptions are final and non-refundable and are made under the rules and regulations of the frequent flyer or frequent guest program for which your Points are redeemed.
33. All Point conversions made for frequent flyer rewards must be made to Canadian frequent flyer accounts and Points must be redeemed in designated increments.
34. The airlines and hotels participating in the Program reserve the right to change their frequent traveler programs at any time without notice. Participating airlines and hotels may also impose restrictions that will affect the redemption of your Points, including but not limited to transferring Points into only the Primary Cardmember's frequent flyer or frequent guest account.

35. The Points you convert to a frequent traveler program will be credited to your frequent flyer or frequent guest account (as the case may be) within 2 to 4 weeks of redemption; provided however that for a fee you may expedite the process for certain frequent traveler programs, in which case Points will be posted within three to five business days.

(D) Vacation Package Rewards

36. There are two types of Vacation Package Rewards. The first is a reward that does not have a dollar value and constitutes a reservation. This first type of reward can only be redeemed via the Customer Centre at which time you will receive confirmation of the reservation. The second type is a Travel Certificate that consists of a gift card for travel or accommodation, in which case the Travel Certificate does not constitute a reservation and you should note the following:
- (a) You are responsible for making all reservations with the participating establishment (a Travel Certificate may be required prior to making advance reservations with the participating establishment).
 - (b) We do not guarantee availability of specific locations for specific dates.
 - (c) Travel Certificates will not be honoured retroactively in connection with any prior Purchases at a participating establishment.
 - (d) Blackout dates and other restrictions may apply to Travel Certificates.
 - (e) The number of Points required to obtain a Travel Certificate denominated in a currency other than the Canadian dollar may fluctuate with the relevant exchange rate.

Please call the Customer Centre should you have any question regarding the type of Vacation Package Reward you received.

(E) Tailored Travel Rewards

37. You can arrange for your Tailored Travel Reward in one of the following two ways:
- (a) Directly by charging the entire travel Purchase to your Card (provided that in the case of a Corporate Card, it has personal expense charging privileges); provided that if you do so, you must call the Customer Centre once the Charge is posted to your Account so as to arrange for the desired number of Points to be redeemed in order to provide you with a credit to your Account (please allow 7 to 10 business days for a credit in respect of a Tailored Travel Reward to post to your Account).
 - (b) By using the third party links to travel and accommodation providers which are at www.clubrewardscanada.com.

38. Any type of travel, including airline tickets, hotels, car rentals, cruises and travel packages may be booked as a Tailored Travel Reward. Airline ticket redemptions may be for economy, business or executive class, first class, one-ways, roundtrips, open jaws, stopovers and multi-leg flights. All applicable taxes, services charges and booking fees are your responsibility and may also be paid for with Points. Travel insurance may not be purchased with Points.
39. If a paper ticket is requested, any additional costs associated with providing a paper ticket, including the cost of shipment, are your responsibility and may either be paid for by redeeming Points or by charging the cost to your Card.

(V) OTHER REWARDS

(A) Experience Rewards

40. Purchase of an experience rewards voucher does not guarantee you entry to a specific event or activity. Depending on your selection and the amount of advanced notice given, it is possible that some dates may no longer be available. We suggest that you check the availability of your preferred event or activity at the earliest opportunity before making your final plans.

(B) Club Rewards Points-To-Cash

41. You may redeem Points for cash that will be paid only in the form of a credit to your Account. Redemptions must be made in 15,000 Point increments. We may refuse to complete any redemption under this section if doing so would create a credit balance in your Account.

(C) Merchandise and Gift Certificates

42. Delivery of in-stock merchandise and gift certificates shown in the Catalogue will be made by courier whenever possible and will ordinarily be delivered within 4 to 6 weeks. Shipments cannot be made to a post office box. Shipments outside of Canada may require additional shipping and handling fees.
43. Gift certificates:
- (a) will not be honoured retroactively in connection with any prior Purchases;
 - (b) will be subject to the gift certificate suppliers' terms and conditions and will have no value except when used in accordance with those terms and conditions; and
 - (c) gift certificates will be shipped according to value: those valued under \$200 will be sent by Canada Post and those valued at \$200 or more will be shipped by courier.

44. Your receipt of a gift certificate does not constitute a reservation. Please note the following:
- (a) You are responsible for making all reservations with the participating establishment (a gift certificate may be required prior to making advance reservations with the participating establishment).
 - (b) We do not guarantee availability of specific locations for specific dates.
 - (c) Certain gift certificate providers charge fees for inactivity. Accordingly, we can only guarantee that gift certificates will be redeemable at full face value (i.e. no deductions for inactivity) for 6 months from the date of your order.
45. Most merchandise items available through the Program are backed by a manufacturer's warranty with proof of purchase. To receive a replacement copy of a warranty or proof of purchase, please contact the Customer Center.

(D) Return Policy

46. Merchandise shown in the Catalogue carries a 100% satisfaction guarantee against workmanship defect or shipping damage for 30 days from the date of your order. This does not apply to perishable items. Do not attempt to return an item or shipment without first contacting the Customer Centre.
47. Items returned must be unused, undamaged and in their original shipping containers. MP3 players and electronic games must be un-opened with the factory seal intact for a return to be approved. Please refer to sections 20(a) and 32 for additional terms and conditions pertaining to certificates.
48. We reserve the right to refuse to exchange merchandise or refund Points, if an item is returned without adhering to this return policy.
